Greensboro, N. C., Nov. 24, 1910.

To the Bishop and Conference:

My Dear Father in God and Brethren:

I greet you to-day after a year's work, as presiding Elder of the grand old historic Morganton District.

This, as you know, is my first year to serve on this District, hence all was new to me as to territory; also most of the ministers in the District were strangers to me, so far as workers together is concerned. We soon got together, however, and tried to understand each other, and mapped out our work for the Conference year. Each pastor in the District pledged himself to report to this Conference his work in advance of last year, along all lines.

How well the promises have been kept, will be seen from their reports, as they shall submit them.

I shall only try to report the main part of the work done locally, leaving the pastors to report their work specifically.

Our work at Morganton is in charge of Rev. W. H. Carter, B.D. The work done at this point is very creditable to both pastor and people. It is said that this has been the most successful year that this church has had for quite a number of years. The most commendable work accomplished was a great revival, which resulted in the conversion of 50 souls, most all of which are now members of this church. The temporal side of this work has also received attention, and to-day we are pleased to report the church finished, and so far as I know, the work is paid for.

Rev. Carter took to himself a helpmate in January last. She has indeed been a great help to him in his year's work.

Ashville Station.—This church is under the pastoral care of Rev. W. J. Jordan. Rev. Jordan and I have worked together before, hence we did not have to get acquainted with each other in our manner of Christian work or otherwise, so no time was lost along this line. On taking charge of his work he found a very heavy debt on the church. He and his members have been trying to pay off the debt, and have succeeded to make a great reduction in it. The church has been greatly blessed spiritually as well as financially. Rev. Jordan has bought a lot on which to start a new Mission church. If the Conference will help this Mission, it will soon be a good point.

Rev. C. A. Stroud, the son of Rev. R. S. Stroud, D.D., P.E., is pastor of our church in Hickory. Rev. Stroud found this church in debt to the amount of about \$300.00, but the notes were all arranged in a businesslike way, so as to be easily met, and I am pleased to say that he has met all of them when due, and this has been done with ease. Now his church is in good shape. Everything moving along all right.

Bethel Church,—Charlotte. Rev. W. C. Cleland, pastor.

Rev. Cleland was very much discouraged on entering upon his work, because of the great debt he found upon this church, most of which the creditors claim was promised to be paid to them by the annual Conference which convened Nov. 1909. I tried to encourage both pastor and people all I could, as soon as I reached them. With faith in God, Rev. Cleland united his forces and arranged for the year's work, and by the help of God he has been able to keep the creditors from closing his church doors. We have, as you all know, a fine church in Charlotte, and we cannot afford to lose it. Something must be done at once to save it. If we can manage to save it, I think our Connection will soon have a large membership in the greatest city in our state.

I hope the Conference will give the needed financial help to this church.

Glen Alpine Circuit is one of our best circuits in the Morganton District. Rev. J. T. Tate, our pastor at this point, has had a most successful year on this charge. He and his people have finished one of their churches this year.

Our District Conference convened on this circuit, and it was well entertained.

Shiloh Circuit.—This is another good Circuit. Rev. S. O. Mance is pastor in charge of this work. Rev. Mance was real late getting to his work. This fact somewhat discouraged the members, yet Rev. Mance would not give up. He held out to the end the best he could. I hope all his reports are in advance of last year. He had a good revival on his work.

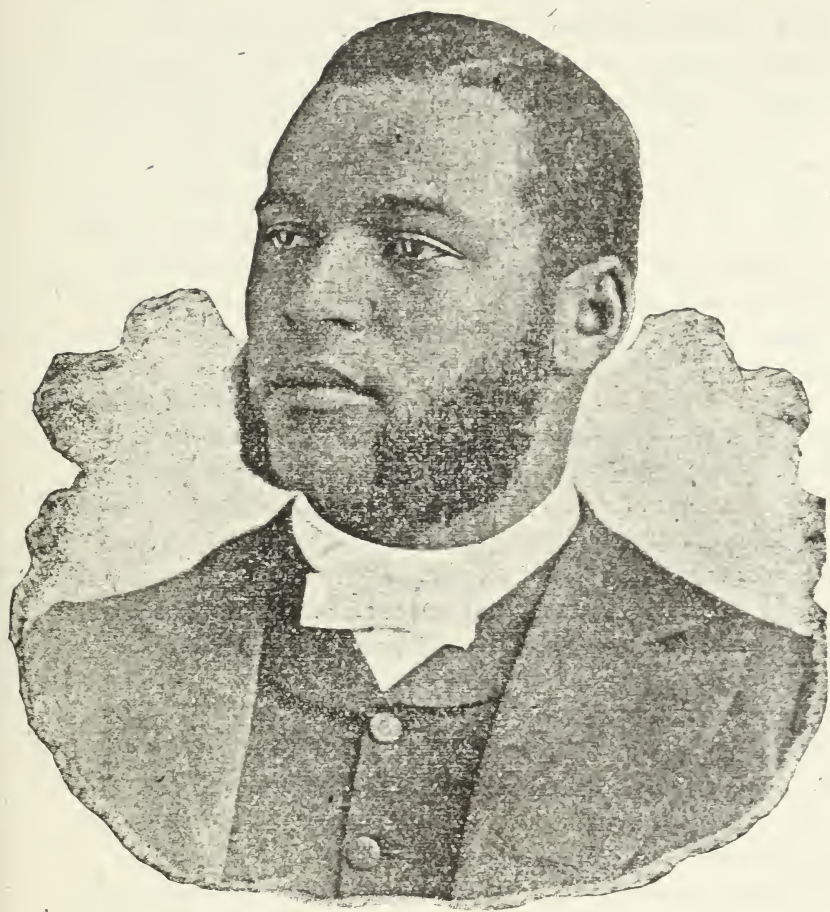

Lenoir Circuit.—Rev. J. D. Cowan is in charge of the Lenoir Circuit. This is not a large Circuit but a good one, embracing as it does the town of Lenoir. Rev. Cowan and his people have made some improvement by way of painting the Lenoir church and remodeling the one in the country. Our Sunday School Convention, which convened at Lenoir, was a great success.

Connelly Springs Mission.—Rev. J. A. Perkins was appointed to this charge, but for some reason he failed to take charge of the work, so I gave the work to a local preacher, Rev. G. W. Johnson. Rev. Johnson has done as well as could be expected, being a local man of many years standing on this work.

Hartland Mission.—Rev. A. Bethea, Pastor. I am sorry to say that this point is not in as good condition as I would like to have it, but perhaps the pastor has done the best he could, I guess. He and his people did not seem to understand each other, hence not much good has been done. I

REV. C. H. KING, D. D.,  
Presiding Elder of the Morganton District

hope, however, his reports are at least up to the reports of last year.

Adako Mission.—Rev. C. E. W. Johnson, pastor. Bro. Johnson has had only fair success this year. He found this people somewhat divided. In this condition they remained most of the year, hence very little work has been done. Rev. Johnson has been able to pay off small lumber bills, however. Some other debts have also been paid on this charge. He has done as best he could, I believe.

Yadkin Valley Mission, has had at its head Rev. M. S. Patterson, who has held his work as in the past with a strong hand. It was his purpose to organize a new point, but has not been able to do so. He is still in great hopes along this line.

Statesville Mission.—Statesville Mission is a very small work or charge. No improvement has been made at this point, for which I am sorry.

We have a good sized house there, but the membership is small. Statesville is the largest town between Salisbury and Ashville. Quite a large number of our people live there. Our church should do well there. I think if we can manage to put a single young man there, as pastor, and help him out of our Missionary Fund, he may be able to do a good work there. Where is the man? Who will say, "Here am I, send me, send me." Rev. R. I. Patterson did all he could for this work, I believe.

Thanking our Heavenly Father for His guidance and protection, also for the success He has given me, and my co-laborers. I beg to remain,

Yours in the cause of Christ,

C. H. KING, D.D.,  
Presiding Elder.

## ANNUAL REPORT OF THE GREENSBORO DISTRICT.

---

To the Rt. Rev. L. J. Coppin, D.D., Presiding Bishop of the Second Episcopal District, and Members of the Western North Carolina Annual Conference:

I beg to submit my annual report of the Greensboro District, for your favorable consideration. It is with a deep sense of emotional joy that I greet you, after the addition of another year to our Calendar, another epoch to our History.

We feel very grateful to our Father in Heaven, for the demonstration of His abiding presence, and wonderful protection of our lives during the year.

This has been a year of peculiar disadvantages, especially so when we consider the monetary stringency, and the election of representatives to the County and State positions; and then too, the high cost of living has brought about a serious dullness so far as Church attendance and work is concerned, in this section of the State, and yet, in the face of all these seeming hindrances, I am glad to say that the "Old Gate City District" located in the Piedmont Section, is gradually moving onward and upward.

The visitation of your Reverence through the District played a conspicuous part, in helping us to bring the work of our District to the front; the powerful sermons and lectures delivered by you made a deep and lasting impression on the minds of those who heard them.

The ministers of the District are courageous and loyal to duty: despite all the deprivations through which we have passed, I am quite sure that when you shall have considered the fact that the District is minus of two points, and then too the large indebtedness covering almost the entire District you will at once concede to yourself that we have made some progress.

Two new Mission points have been added, and are in splendid condition. The District Conference and Sunday School Convention convened in Liberty and Burlington, respectively, and the work in common thereto was despatched with admirable results.

Bethel Station,—Greensboro, N. C., is under the pastoral care of the Rev. W. H. Manoko, who is indeed an excellent preacher, and an earnest worker for the cause of the General Church. His has been a hard struggle during the year, contending with oppositions, environing him, but thank God, he has stood and contended for the faith that was once delivered to the Saints. He is worthy of your most favorable consideration. Reports are all in advance.

St. James Station,—Winston, N. C. This Charge has for its pastor, Rev. T. W. Cotten. Considering the unfavorable circumstances surrounding this charge, his success has been phenomenal; the creditors have threatened and advertised to sell, pushed and dunned us in almost every conceivable way for debts. It will be remembered that it was for this Charge that gave rise to the Incorporation of the Conference, in order to save it from under the Sheriff's hammer. Your Board of Trustees of Conference Incorporation together with what money the pastor could raise, has succeeded in getting it in almost a redeemable condition. Rev. Cotten has stood as an anvil to the stroke, lending what influence he possibly could, in order to help out the Committee, and now he comes to present his report, which is indeed a creditable one.

Union Bethel, Mission Station.—Winston, N. C. Rev. A. L. Price has the supervision of this point, and to say the least for him is to say that he is an exceptional pastor, ever on the alert for his Master's duty. This Charge is in better condition, under the present pastorate than ever before in the history of its organization. Rev. Price is indeed an excellent worker, acquainting himself with the chil-

dren, and in this way he has brought about an enthusiastic church life.

The reports, as you will note, are in advance of last year.

Reidsville Mission Station, Rev. J. S. Carthran, Pastor. This good brother has done remarkably well, considering the small membership of the church, and the large indebtedness on it, and they too in such a shape, that it rendered them aggravating. Rev. Carthran is a hard, earnest worker in the cause of his local and General Church, therefore deserving much commendation.

Burlington Circuit.—This Charge has for its Spiritual advisor Rev. W. T. Carnish, who ranks among the best pastors in the Connection. He seizes every opportunity, and utilizes every available moment, in the interest of his Church and Race. This Charge, too, has a large mortgage-debt, which we succeeded in having transferred, out of the hands of the Building and Loan Association, into other hands, by so doing it reduced the interest on the principal that had already been paid. The reports will all show progress, and Rev. Carnish deserves your most favorable consideration.

Pleasant Garden Circuit.—This Charge enjoys the distinction of having an excellent pastor, and a good financier, in the person of Rev. J. W. Dalton. He has succeeded in erecting a beautiful church edifice, which reflects much credit upon him and his congregation. We are glad to say that the charge is in fine condition.

Liberty Circuit.—Rev. J. P. S. Chalmers, Pastor. Rev. Chalmers is an earnest worker, and as a rule succeeds admirably. I am sorry to say, however, that within the recent month, he had a serious rheumatic attack, affecting his eyes, to the extent that his physician ordered him to rest awhile from preaching, for fear of serious strain on the optic nerve, thus impairing him for usefulness at a very inop-

portune time, and yet we feel satisfied that his reports will equal, if not surpass those of last year.

Altamahaw Circuit.—Has for its pastor Rev. S. Jones, who is a gentleman, a Christian and an earnest, hard worker of no mean ability. He is among the oldest Fathers of the Conference, and the Senior of the District. He never fails to bring in the sheaves with rejoicing. He has succeeded in putting his Charge in fine condition, spiritually as well as temporally. We never apprehend any failures from Father Jones, who has an unbroken record of success of more than twenty yeards in the District. May God bless him.

Guilford College Circuit is enjoying the pastoral care of Rev. A. J. Corde, who is a zealous worker, and is relentless in his lofty ideas in leading on his work, to the glorious arena of success. He has had many oppositions to contend with during the year, both within and without of his parish, but through the counsel of the all-wise Creator he can say with David, "I have run through troops and leaped over walls." I feel confident in saying that Rev. Corde will take care of whatever is entrusted to his keeping. Considering the environments, the reports are all good.

Mt. Airy Circuit has for its rector, Rev. R. E. F. Foster, who is a young man of little experience as a pastor, and yet I feel conscientious in saying that he has done the best he knew how. Mt. Airy is a town of between six and eight thousand inhabitants, and is destined to be an excellent Charge if properly cared for under the supervision of wise and judicious leadership. A new railroad is now under construction from Statesville to Mt. Airy, hence connecting it with the main line, South and West. The reports from this charge are not at all flattering.

Whitsett Mission.—This Charge is under the pastoral supervision of Rev. R. L. Tillery, who is devoted to the Educational work as well as to the Church work. No interest will be allowed to suffer at his hands. He is strugg-

ling hard to lift up a standard, from an educational, moral and religious standpoint, and thus far he has succeeded in making indelible impressions on white as well as the colored people. This is clearly demonstrated, by his unanimous election as principal of the Graded School in Burlington. His reports, as you will note, will compare favorably with that of previous years.

High Point Mission—Rev. G. W. Verable, Pastor. This Charge, soon after Conference was sold from under us, but illegally so, and your Committee, after investigating it, entered suit for its redemption, hence it is now in litigation.

North Greensboro Mission is a new point, organized by Rev. G. W. Verable, and is doing exceptionally well, destined to be a good Charge, if the proper care is manifested. Rev. Verable possesses the characteristics of a good church worker. You will note that his reports are indeed fine.

East Greensboro Mission.—Rev. G. M. Foster, Pastor. This point is one of those newly organized, and is progressive, in both Sunday School and Church, and we feel safe in saying that if proper care, patience and encouragement are given, it will be only a question of time when we will have a splendid point in this section of Greensboro.

Rev. Foster has done remarkably well, having the odds against him, and but little encouragement to begin with. He deserves credit for his earnest, untiring efforts to bring to us such splendid reports.

Leaksville Mission—Rev. F. L. Lash was given the pastoral supervision. He went over to Leaksville, took an observation of the surroundings and reported to the Presiding Elder, that it was almost impossible, if not quite so, to organize and develop a church in this town without money to begin with.

Conclusively, I wish to express my gratitude to the good Bishop and Members of the Conference, for the confidence that you have imposed upon me. I have labored

hard to betray no trust committed to my care. I have looked after every department of the Church work, and can truthfully say, taking the surrounding environments into consideration, the District is in a pretty fair condition, destined to grow and bring forth an abundant harvest.

Again I thank you.

Respectfully,

K. C. HOLT, P. E.

### DURHAM DISTRICT.

#### Presiding Elder's Report.

Dear Bishop and Conference:

We beg to submit this, our first report, for the Durham District. At the rise of the Conference in Charlotte, Dr. King and myself went directly to Raleigh and commenced the act of Incorporation for the Western North Carolina Conference. After completing it we returned to Winston, with the other members of the Incorporation, and remained over Sunday. On Monday, after the first Sunday in December, we arranged and stopped the sale of St. James Church. Since that time we have been on the go.

We commenced our work on the District with Rev. L. L. Berry, Chapel Hill. I have visited every point on the District.

Rev. Jackson, St. Joseph, Durham, and people completed the remodeling of his church, put in a pipe organ and will be ready for the Conference in 1911.

Rev. James Tate, Roxboro, built a new church, and organized a new point, got a deed for the same, and is now erecting "Adam's Chapel."

All the pastors of the District have observed the General Days, and bring in increased reports. According to our direction they sent the General Days' moneys to the Departments directed in our Law, hence we have had peace and prosperity. The mortality of the District has been

small, out of a Membership of 2,000, we have lost by death only 40.

We have had good revivals during this year, and 150 have been added to the Church.

We have baptized 200 infants. Our District Conference and Sunday School Convention were largely attended. Drs. Holt and King and many others from other Districts were in attendance in our Meeting.

The following are the pastors of the District:

Revs. J. E. Jackson, D.D., W. W. Allison, L. L. Berry, H. T. Reddick, W. E. A. Wilson, J. W. White, C. O. Crowell, D. Smith, Wilson Murray, James Tate, D. F. Newby, J. A. Thompson, J. A. Whitted, L. A. Woods.

We placed W. O. Smith, in charge of Lampton Chapel, Wall Street, Durham; W. L. Foust, of Haw River, had a poor chance for work, yet he did what he could. By reference to the minutes for 1910, it will be seen that each pastor made an increased report along all lines, and that is due to the fact that pastor and people vied with each other for the success of the work.

The Woman's Home and Foreign Missionary Society was organized on every Mission, Circuit and Station, and they made a fine report to the Woman's Convention in Morganton this year. Thus we have done our work, hoping that your reverence and our Heavenly Father are well pleased with us. Our Motto was, and is, "We must work to-day and rest to-morrow."

Your humble servant,

R. H. W. LEAK, P.E.

Brother W. W. Allison having been ordained under the missionary rule, we recommend that he pass to the third year's class and received into full membership. Also that Brothers W. H. Pearson and F. L. Lash be ordained Deacons.

We further beg to state that the following Brothers. J. A. Whitted, G. W. Verable, T. J. Hicks, D. L. Thomas, R. I. Patterson have come before us by order of the Conference.

We say further, we find J. A. Whitted and R. I. Patterson fairly conversant. T. J. Hicks, D. L. Thomas, G. W. Verable are less conversant. ## EDUCATIONAL REPORT.

To the Bishop and Members of the Western North Carolina Conference.

Greeting:

We, your Committee on Education, beg leave to submit the following, as our report:

We prefer at this time to say only a few words in this report.

We are as a church committed to the cause of education.

We deem it wise at this hour to give the entire field to the principal speakers of the evening, viz: President D. J. Jordan, A.B., and Prof. J. R. Hawkins, Secretary of Education.

We need only to say that May, 1911, will be the Quarto-Centennial of Kittrell College, the school of the Second

Episcopal District. That we may push our educational interest, the individual members and ministers are called upon to note and heed the crying needs of our school.

There is no better plan in sight than that offered by our Presiding Bishop Coppin, that we go out from this hour determined to have a great meeting in May, 1911, at the Quarto-Centennial.

We appeal therefore to P. E.'s, pastors, members and friends to get into the movement, and then move everything in the direction of Kittrell.

We assure you that such a course will insure unprecedented success.

We very respectfully forego further comment and yield the time to the speakers of the hour.

C. H. KING,

### REPORT ON TEMPERANCE.

To the Bishop and Members of the Western North Carolina Conference.

With gratitude to God for His manifest blessings upon the work, we, your Committee on Temperance, respectfully submit our annual report:

There are three great subjects that are attracting the attention of the world to-day. (1) The state of our country; (2) The great missionary movement, and (3) the great temperance cause, and we, your committee, desire to give a brief synopsis of temperance work in this report. This temperance work is not only confined to our Con-

tion, but to all the churches and to other organizations, bearing no organic relation to the church.

### **The Church Temperance Federation.**

It is not out of place here to call attention to the Church Temperance Federation, which has been made an accomplished fact for the first time in the history of this country. The third meeting of this organization was held in Indianapolis, Ind., November, 1910, at which the following denominations were officially represented: Baptist, Disciples of Christ, Lutheran, Methodist, Episcopal, Presbyterian, United Presbyterian, and Unitarian, while some other denominations were unofficially represented. The object of this federation may be briefly stated as follows: To clarify, simplify, unify and to co-ordinate religious effort. To preserve the church from political entanglement, and make clear her duty and ability to destroy the legalized liquor traffic. (2) To create and crystallize temperance sentiment, to express the mind of the united church in an orderly official way, and to focalize her influence. The federation has established a bureau of information at Washington, D. C., the purpose of which is to collect and furnish information concerning temperance reform in the several States and to advise the constituent bodies of the federation, as to pending or desirable legislation at the National Capitol, and when and to whom communication should be sent. Surely we shall give our moral support to these forces which are at work in our country to destroy an octopus so far-reaching in its influence for evil.

### **African Methodist Episcopal Church.**

The African Methodist Episcopal Church, in its large membership, intelligence, property holdings, and moral and spiritual influence represents an enormous power, and when united for common ends and purposes, is capable of great achievement. Our combined strength directed against the

liquor interests of this country would wield a heavy blow. If the churches would line up as solidly and fight as hard as do the liquor interests, we would soon remove the stain from the escutcheon of our common country.

### Church Statistics.

Dr. H. K. Carroll, probably the leading authority in this country on church statistics, gives the membership of all churches in the United States as 34,667,000 for 1909, of these, 22,323,000 are Protestants, estimating our population at 90,000,000. Thirty-eight and one-half per cent. are church members. After all allowances are made for deductions for nominal members, who may exercise but little force in the amelioration of affairs, there still remains a sufficient number in the church, together with the sympathizers on the outside to overthrow the liquor traffic. It is also time that the ministers give the command to the soldiers whom they lead to charge the breastworks of the enemy, and they themselves to the man in the fore-front of the battle.

### Congress on Alcoholism.

The most notable event in the temperance world during the year 1909 was the Congress on Alcoholism, which met in London, July 18-24, in response to an invitation from the British Government to other nations. Seventy-six foreign Governments, and all of the British colonies were represented. Twelve hundred delegates were present. The Duke of Connaught, the brother of King Edward the Seventh was the honorary President. The British Government sent four representatives from its State Department, and the official reception is said to be the first ever given by the British Government at which intoxicants were not served. President Taft appointed two persons to represent the United States at the Conference.

### Temperance Gains.

Solid progress was made for prohibition during the past year, though not so much territory was gained, as in the year preceding. State-wide prohibition went into effect in Tennessee July 1st, 1910. Nebraska passed a law limiting the hour during which saloons might be opened, from 7 A. M. until 8 P. M. In Wyoming saloons were abolished outside of incorporated towns and cities, and twelve additional counties in Michigan have excluded saloons.

### Resolutions.

Whereas, the consumption and traffic of alcoholic and vinous liquors in the past has wrought so much evil upon our manhood and womanhood, has robbed so many homes, and has denied so many women and children the ordinary necessities of life, and

Whereas, A temperance wave is passing such as has never been seen before, and the best blood and brain of the world are in sympathy with it, and hail it with delight,

Be it resolved (1), That this Conference will co-operate with these forces in any practicable way.

(2) That it shall urge upon its ministers to preach at least one sermon during the year upon this important question,

(3) That these resolutions shall be read in each of our churches at some time during the year when the subject of temperance is up for consideration.

## CHURCH EXTENSION.

To the Bishop and Members of the Western North Carolina Conference.

We, the committee appointed to lay plans by which to raise the principal and interest due the Church Extension Department in the Western North Carolina Conference, beg to report:

Of all the departments in the Connection, aside from that of Education, we regard the Church Extension Department to be the most important. Many of our churches that are now so far-reaching in their moral, temporal and religious influences, and that speak so eloquently for Methodism in many of the best and largest cities in North Caro-

lina, would not exist to-day had it not been for this department.

St. Paul's, Raleigh; St. Joseph's, Durham; Bethel, Charlotte, and many more of our churches in the Western North Carolina Conference in their early struggles received help from this department.

We recommend first, that special efforts be put forth by the pastor, officers and members where this money is owed to pay it.

We recommend also that the fifth Sunday as often as it comes in the year, be set apart as a day on which to raise at least the interest.

We recommend again that each pastor on returning or going to a congregation where this money is owed, state to said congregation or membership from the pulpit the first Sunday, and from time to time during the year and to his Board that the fifth Sundays in the year have been set apart by the Conference as the day on which this money is to be raised.

And fourthly, we recommend that the P. E.'s in their Quarterly Conferences impress this.

J. E. JACKSON,  
A. J. WILSON,  
Committee.

### STATE OF THE CHURCH.

To the Bishop and Conference.

Your Committee on State of the Church, beg to report.

The Church is of God. He has always had a church. He has had and will have a church. Jesus Christ did not make a new church.

The last and best manifestation of God in Christ Jesus, is His amazing love. "God so loved the world that He

gave His only begotten Son, that whosoever believeth on Him shall not perish, but have everlasting life." These "believers" constitute the Church. And in her power of divine grace and the truths she told, He makes the statement that the gates of hell shall not prevail against her.

And it is worthy of profound thought that to-day the nearer the Church comes to showing faith in her life and works, the doctrines of her Lord and Master, Jesus Christ, the more she attracts the weary, and heavy laden among the wealthy and educated, or as amongst the poor and ignorant, to come to Jesus to find rest. There is more necessity to-day for a pure spiritual church than there ever has been because the desire for the material things of the world seems to be overcoming the spiritual. Some evidences of this truth is the lack of spiritual interest found in most churches, and a growing spirit of disinterested toward the church by those of the world. There may be times when it may be far below the Christ ideal, yet the church will stand forever. God is not slack concerning His promises, but man has his share of the load to carry.

The harvest is ripe. Men must find out that Christ is all, and that religion is a reality. The reports of the ministers of this Conference show an increase in conversions and many accessions. We recommend the A. M. E. Church to all and pray that God will grant our ministry more of that spiritual power which has enabled us to be so successful. Power to offset the fiery opposition, progressive spirit of the world.

The Church is moving on, often faint, but still persevering. Her banners are being planted everywhere, on mountain, in valley, in the isles of the sea; yes, upon the Continent of Africa. To-day we have more members, and are doing a greater work than ever before. "It doth not yet appear what we shall be."

C. H. KING,

T. W. COTTEN,

R. L. TILLERY,

C. O. CROWELL,

Committee.

## REPORT ON THE STATE OF THE COUNTRY.

To the Bishop and Members of the Western North Carolina Annual Conference:

We, your Committee on the State of the Country, beg to report as follows:

There is to my mind no report that will come before you of more vital importance, affecting us from a material as well as a religious standpoint, than this one.

When we say to you that our Country enjoys the distinction of being at peace with its own subjects as well as those of foreign countries, we do not deceive you or misrepresent a fact. It has been ours to enjoy the marvelous progress along lines of development that our country has made in recent years. The God of Nature has kept watch over us, and has caused the earth to yield abundantly for our good.

The wage-earner, if he would, might find a livelihood in which he could provide for himself and family an honest living. Reluctantly, we say, the recent election in many of the principal states in the Union gave a Democratic majority, which in my opinion does not mean aggressiveness to her constituents. We find, by research in the journalistic field, that business affording a livelihood to many thousands of people has already been paralyzed—strikes for higher wages, etc., have caused serious trouble, and in many instances have resulted in bloodshed and the loss of many lives.

We greatly rejoice in the fact that rioting and lynching have not been so pronounced as in former years, but sad to say, conditions in this respect, are not so radically changed as they might be.

The development, from the standpoint of inventions, is indeed phenomenal, especially when you consider the wireless telegraphy, the automobile and the aeroplane, or airship.

It is indeed gratifying to note that the whole Country, and especially our own, is manifesting a deeper interest in the educational and moral uplift of its people.

We are pleased to know that concentrated efforts for the cause of Missions have been put forth, for the purpose of advancing civilization, and spreading the Gospel to earth's remotest bounds.

We can more intelligently worship the triune God, when protected and unmolested by Government, which is Christian. Let us pray and labor on, until the whole world shall recognize the Fatherhood of God and the Brotherhood of man.

### MEMOIRS.

Greensboro, N. C., Nov. 27, 1910.

To the Bishop and Conference:

We, your Committee on Memoirs, submit the following as our report:

While it is a sad fact to chronicle the death of our friends and co-laborers, yet we must not forget that it is appointed unto men once to die, thus we humbly submit to the will of Him who doeth all things well. The first we mention is the late Rt. Rev. Edward W. Lampton, D.D., Bishop of the 8th Episcopal District. The entire Church mourns the lost of this great man.

Among the brethren to fall was Rev. Edom Markham, a superannuated minister who before being superannuated spent many faithful years in the Master's vineyard.

The following ministers' wives have passed from labor to reward: Mesdames W. E. A. Wilson, W. J. Benjamin, Brother Charlie Tate, son of Rev. John T. Tate.

We join in sympathy with the bereaved ones and point them to a just God before Whom all must appear.

## CONNECTIONAL PREACHERS' AID.

206 Public Square, Nashville, Tenn.

Nov. 2nd, 1910.

To the Bishop and Conference:

Dear Father and Brethren:

After praying the blessing of God upon you and Conference, and wishing for you the greatest measure of success, I beg to lay before you the cause of the Preachers' Aid. We have collected \$3,696.75. Of this amount \$2,100 has been paid to widows and orphans of deceased ministers. The secretary has received the meager sum of \$720.00 as salary. We do not complain of the sacrifice we are making that others should live. One should not live for self, but for others. The widows and orphans are begging me for bread. For this cause I appeal to you for help that this department may be able to do more for its claimants. The Bishops in council promised to request each one of their conferences to make a donation of \$10.00 to the Preachers' Aid. Bishops Grant, Shaffer, Lee, Tyree, Flipper and Coppin have kept the promise. Will you join their rank in helping to make the burden of these poor widows light and their hearts glad? We pray that you make a donation of ten dollars or more if you can. Send it direct by postoffice order. We enclose a copy of the many letters we received from our deceased preachers' wives.

Thanking you in advance, I am,

Yours truly,

WALTER A. LEWIS, Sec. C. P. A.

REPORT OF THE SECRETARY OF CHURCH  
EXTENSION SOCIETY.

To the Western North Carolina Conference:

Dear Father and Brethren:

It is a source of very great pleasure to send to you the greetings of this Society and to join with you in hearty congratulation for the success that has attended it since its organization eighteen years ago.

It is impossible to enumerate all the benefits bestowed

on the local churches, through the timely aid rendered by this Department. Churches that were threatened and would have been lost to the Connection have been granted relief, which has enabled them to tide over their difficulties and ultimately extricate themselves from their embarrassment. Missions have been aided with donations and some have since grown into self-supporting churches; old landmarks of African Methodism have been rescued from under the sheriff's hammer.

All honor is due to the self-sacrificing pastors whose loyal support in the gathering of Dollar money and Children's Day offering, has made it possible for the Society to accomplish the results above mentioned.

We are happy to report to you that the returns of Children's Day money to the office in 1910 is the greatest amount in any year for the past decade, and shows conclusively the increasing interest on the part of pastors and schools for the Home Mission work and Church Extension.

You will kindly balance receipts and cash of Children's Day money (crediting only where receipts are shown) and send us one half by Postal Order or Draft.

We inclose a printed list of loans and interest computed to April 1st 1910, for the District and request the appointment of a Committee to examine and report on the same to your Body.

We wish you a most pleasant and profitable Session.

Faithfully yours,

B. F. WATSON.

#### A. M. E. BOOK CONCERN.

Philadelphia, Pa., Nov. 19, 1910.

To the Western North Carolina Conference, Greensboro,  
North Carolina:

Bishop L. J. Coppin, D.D., Presiding.

My dear Brethren:

By the grace of the Heavenly Father we are able again to greet you and to render this report.

I am very pleased to say that the affairs of the Book Concern are in a better condition now than they have been at this time of the year for a long time. We have been able

to go through the summer season without going on the outside to secure funds. As you have seen from the Recorder, in our report for last year, the receipts were \$21,305.07, and \$20,499.24 were expended, and at the close of the year we had a balance of \$805.83. Our success, so far, has been due, not so much to the Manager as to the co-operation of the brethren, and we solicit a continuance of this co-operation.

We have made many improvements since your last Conference. We have put in a complete electric plant, having one large motor of ten horse power to run our large presses, and a small motor for folding and stitching machines. We have also purchased a large two revolution Campbell cylinder press, making us able to do twice as much book and pamphlet work as before. We have done away with the old, antiquated steam plant, thus saving a large coal bill and the services of an engineer. We have also converted a part of the front of our building into a bindery, which we hope to enlarge at the beginning of the year.

I am pleased to say that we are gradually building up a printing plant of which the Church may feel proud. This department is the Publication Department of the great A. M. E. Church. Its seat is at the fountain head of African Methodism, where noble Richard Allen made his brave fight for Negro manhood and religious freedom. It is true, that in the past, we have not always lived up to our rights, but we hope to be all that the Church expects of us,—the Publication Department and the Book Concern of which you may feel proud.

First, I want to ask to have the privilege of printing your minutes. Remember, this is your Book Concern, and every dollar you put into it, goes to the building up of your Church. Therefore, before giving out your minutes, please give us a chance. A chance, that's all. I ask you African Methodist ministers to give your own official publication department a chance. A chance, that's all! Will you give it? If you do so, I see no reason why we should not have as good a plant at Philadelphia as the white Methodists have at Chicago or Cincinnati. A chance, I say! A chance, that's all! Will you give it?

Now as to the Recorder, the grand old paper has weathered many a storm. We feel we are now on safe ground.

Last year we received on the average, ten or twelve complaints a day, now we are not receiving that many a month! Will you note the improvement? We want your support. Remember, this is the oldest literary landmark in the world. You cannot go against it. You cannot afford not to take it. We have no fight against any other organ, we are all one, but, remember the Mother. She will be sixty years old next year, so let every man rally to her.

I want to especially congratulate you upon the fairness of your Presiding Officer, whose attitude toward the Book Concern has been nothing but that of encouragement and helpfulness. He has been a friend to us when a friend was needed.

Thanking you for your patient hearing, I am

Faithfully yours,  
R. R. WRIGHT, JR.,  
Managing Editor.

### SUNDAY SCHOOL UNION.

Nashville, Tenn., Nov. 19, 1910.

Dear Bishop Coppin and Members of W. N. C. Conference:

I had looked forward with a deal of interest, to the coming of this session of your Conference, expecting to be present to mingle with the brethren and tell them something of our past difficulties, as well as our future plans; but fate seems to be against us, and we must be satisfied with a written epitome of our past year's experiences as Secretary-Treasurer of your Sunday School Union. Each of you no doubt read our last report, which showed a marked improvement over the previous one, especially as concerned the volume of business done for one year, which was \$41,214.24.

You will pardon us for being a bit proud of this showing, but there are two points we especially invite your attention to: First, not one penny of this money represents anything that has come to us in the way of a special collection, such as Children's Day Fund, etc., but it has been actually ground out of our machinery. Second, our increased business is not a "water increase," like that of a firm advertising for what it cannot do itself, but must give to some other concern, at the same time carrying the job on both sides of the ledger in such a way as to materially increase

its volume of business, though adding nothing in the way of profit to the House.

Putting into your Sunday School Union quite \$20,000 worth of machinery in so short a time as two years, which we mean to pay for in four, has meant much personal sacrifice to your Secretary. But we had confidence in our God, in our Church, in our plan, and in ourselves, and the wisdom of our course is being proven with each succeeding day's work.

We wish here to especially thank you and several of the leading men under you, Bishop, for the liberal support given us in diverse ways. The spirit of interestedness which you all have displayed has meant much and worth infinitely more to us than the financial help, itself, as much as it benefited us. We mean to bring your Union to Kansas City with \$20,000 worth of printing machinery more, and paid for, than it had in 1908. This too, inspite of the fact that you are keeping for your Mission Preachers the \$16,000 given this house during the previous quadrennium as a Children's Day collection. We refer to these facts, not in a spirit of braggadocio, but simply with the idea of reminding you that in giving to us your printing and buying liberally of our literature, you really are building for yourself a first-class, thoroughly-equipped printing house, able to measure arms with that of any other denomination. We want you to get the fact firmly fixed in your minds, that your Union is not something on paper—a mere "agency" for white concerns, working on a commission—but a real, live, up-to-date publishing house, thoroughly equipped with modern machinery, manned by competent black boys and girls. We want the imprint of the Union on your next minute, which means that the work will be printed as well and as cheap, and delivered as early as any other firm can do it. But what is more, it means that all copy will be edited, all type set, all forms printed and bound on our own expensive machinery. Our price for such work is \$1 per page for straight matter; \$1.50 per page for tabular matter. Same to be delivered within thirty days.

Again thanking you for your past evidences of friendship, and of interest, I am,

Your friend and brother,  
IRA T. BRYANT.

GENERAL CONFERENCE COMMISSION.

To the Bishop and members of the Western North Carolina Annual Conference:

Greeting:

We beg to call your attention to the law with reference to the entertainemt of the General Conference, Book of Discipline Page 215. This law requires that one-fourth of the amount used for the entertainment of the delegates to the General Conference should be raised each year during the quadrennium.

The General Conference Commission did not meet until June 14th, 1909, therefore could not send an estimate of the amount during the year 1908. You can send one-half this year and the next two years you can raise one-fourth the amount as per discipline.

The Bishops in Council have decided that we should arrange for entertainment for three weeks. Therefore it will be necessary for your Conference to raise \$15.00 for the entertainment of each delegate during the session of

the General Conference, which will meet in Kansas City, Mo., May 1912.

Trusting that you may find it convenient to raise the amount necessary and forward the same to Rev. John Hurst, Financial Secretary, 1541—14th Street, N. W., Washington, D. C., as prescribed by law, we are,

Yours in His service,

A. GRANT, President.

Second: That we have been inspired and helped by the cheering words and presence and elegant sermons to which we listened this P. M., by Dr. L. S. Flagg of Baltimore and tonight by Dr. W. W. Beckett of New York City, our able Secretary of Missions.

Third: That we are obliged to Dr. J. R. Hawkins, the efficient and eloquent Secretary of Education, and Prof. D.

Fifth: That the Conference wishes to thank Rev. W. H. Manoko for so carefully arranging for the comfort and happiness of each member and visitor of the Conference.

Sixth: That the Conference extend a vote of thanks to the members of Bethel Church for their unbounded hospitality.

Seventh: That the Conference has been lifted by the sweet songs of the great choir and organist.

## Resolution.
